From The Staff of RSVP

Hello to all of our wonderful volunteers! We hope you have all been enjoying these beautiful summer days. More importantly, we hope that your volunteering has been fun, interesting, and fulfilling. Let us hear from you regarding your current activities, we want to know the highs and lows of the volunteer experience. Look for a volunteer survey with your luncheon invitation. Return the survey and help us grow as an organization. Senior Corps is here to assist you.

Exciting new things are happening at RSVP these days. We have a new partnership with Habitat for Humanity at their ReStore. Several opportunities exist in scheduling, bookkeeping and retail (no building skills required!). Call to inquire about new opportunities with this program. Additionally, our AMACHI mentoring program recently began working with Edna Mahan Women's Correctional Facility to receive even more names of children in Camden County in need of mentors. Sadly, our AMACHI AmeriCorps VISTA will be departing in November, so if you know anyone who is connected to the Camden City community and interested in working full time to make a concrete difference for children, please send them our way.

Thank you for everything you do to make Camden County a better place.

Campbell's Soup Dollars for Doers Program

Camden County Senior Corps is extremely pleased to announce a new partnership with Campbell's Soup and their Dollars for Doers Program. We are now working with Campbell's to increase the ability of Camden County non-profits to do their great work in two special ways. First, we are actively recruiting Campbell's employees ages 55+ to join the elite ranks of the Senior Corps Skills Bank to help write grants, do strategic

planning, and to be AMACHI mentors!

Also, for every 25 hours any current or retired Campbell's Soup employee volunteers, Campbell's will donate 500 dollars to Senior Corps as part of their dollars for doers program. So, if you ever worked at Campbell's Soup or work there now, please let us know!

Take Control of Your Health

Please remember to mail in your time sheets!

We want to be able to keep track of all the hours you serve.

We are pleased to have completed two workshops for Take Control of Your Health. The first took place at Collingswood Manor in Collingswood and the second at Fox Rehabilitation in Cherry Hill. Both sites proved to be wonderful sponsors of the program. We are thankful for the space and time donated by both facilities. The workshops were well received and the participants felt their time was well spent. One person commented, “I enjoyed the workshop; it was done in an informative and relaxing way.” Another participant remarked, “I will miss coming, but I will keep up my plan.”

Take Control of Your Health is a series of 6 free self-management workshops for individuals and/or

caregivers with an ongoing health condition. This program teaches a variety of self-management strategies and tools for living a healthier life.

For additional information or to sign-up for one of the up coming workshops contact Beth Gebhart at the Senior Corps/RSVP office. Individuals of all ages are welcome.

A big thank you is also in order for our three leaders, Anne Burdsall, Vianne Fontana and Sally Neumerski. They do a wonderful job teaching the classes. A great deal of time goes into preparing and teaching the classes; we really appreciate all their hard work.
