## Giving Back Helps You Too!

Whenever people open their hearts to help others, something amazing happens: they actually receive help themselves. Volunteering creates a variety of wonderful learning opportunities, promotes an increasingly positive outlook on life, and connects people to friends they will come to cherish for the rest of their lives.

Please consider joining the ranks of men and women throughout Camden County who have decided to help others—and themselves—today.

## About Senior Corps/RSVP

The **RSVP Program** is a national volunteer program sponsored in Camden County, N.J. by the Community Planning and Advocacy Council (CPAC). RSVP provides people 55 years of age and older with the opportunity to use their skills and expertise in a variety of meaningful volunteer activities. In the RSVP Program, volunteers can help others by tutoring, mentoring, assisting shut-in seniors, advocating for those in need, raising awareness, or by helping non-profits to build capacity.

With RSVP, you choose how, where, and when you want to serve. You choose the amount of time you want to give. And you choose whether you want to draw on your skills or develop new ones.

In short, you find the opportunity that's right for you.

## Make a Difference

As an RSVP volunteer, you will be making a difference in the lives of men, women, and children right here in Camden County—perhaps even in your own neighborhood.

Volunteers enjoy the flexibility of choosing the opportunity that best suits their needs and passion to serve.
